I have used in my family Dr. Hull's Fever and Ague Pills, and also Dr. Spencer's Vegetable Pills, for the last two years, and have no hesitation in pronouncing them to be the most excellent family medicines; and as an act of justice to the worthy proprietors of those invalnable pills, I will state for the information and satisfaction of all concerned, that my wife, prior to our marriage, had been more or less the subject of chills and 450 acres, valued at \$450, tax due \$1,80, on the waters fever, for about eighteen months, having tried various remedies without success, and was very much reduced in flesh. I believe these medicines to be harmless and safe, and when used as specifically directed, tea attended with satisfactory results. E. L. FRAZER.
